

ESSEN

**Complete Solution for
Expanded Polyethylene Products**

**Manufactured in Kenya.
Built for Africa. Trusted by Industry.**

ABOUT ESSEN

Essen E-com Ltd founded in 2022, has established itself as a trusted provider of EPE products (Expanded Poly ethylene foam) by continually embracing cutting-edge technologies that enhance our products and brand.

We are a local manufacturing company offering a wide range of high-quality products, including Roof & Wall Insulation, Expansion Joints, Floor Underlay, Acoustic Boards, Packaging Foam, and Household Carpets.

Our products are designed to boost energy efficiency, provide superior thermal comfort, and reduce heating and cooling costs.

Our commitment to delivering quality products and excellent service has earned the trust of our clients, and this remains the driving force behind our continued success.

OUR VISION

To become Africa's leading manufacturer of innovative EPE Foam-based solutions for construction, packaging and everyday living.

OUR MISSION

To manufacture reliable, high-quality products that improve comfort, protect valuable goods, and create lasting value for customers through innovation and excellence.
